7 COOL CARLTON QUOTES

1. There's no magic in the medium. The magic is in the persuasive value of what you're saying.

2. Use a thesaurus. Go buy a REAL thesaurus. The top writers all have a dog eared thesaurus.

3. If you get one idea from a book, you've scored.

4. Use negative motivation.

5. We still have one foot in the jungle.

6. Implementing will help you advance and learn much faster than anything else.

7. Find your groove... and ride it for all it's worth.
